

VACCINATIONS POLICY

Please inform me whenever your child is due vaccinations.

All children who receive vaccinations **MUST** stay home for *48 hours* after receiving a vaccination. This is due to any side effects that may occur. If your child has a temperature, please make sure that they are free from any need for medication to lower the temperature for a minimum of 48 hours prior they come back to the setting.

Here is a link to all about vaccinations and side effects [What to expect after vaccinations - leaflet for parents and carers \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/100000/what_to_expect_after_vaccinations_leaflet_for_parents_and_carers.pdf)
